

**STRONACH**  
TIMBER INDUSTRIES

Need more privacy, don't build a new fence,  
**save your money** by using our  
*strong, durable & long life* **Fence Extensions**

Square Lattice

Woven Lattice

*Here's why you should insist on **S.T.I. Fence Extensions***

- ◇ Hot dipped **galvanised nails** used *not staples*
- ◇ **Heavy duty** 12 x 35mm treated timber used
- ◇ Built against a steel frame for greater **nail holding**
- ◇ Closer weave for **added strength**
- ◇ Battens attached for **easy installation**
- ◇ Standard size **2.4 x 0.6m**
- ◇ Fantastic for **privacy** or to **support** climbing plants
- ◇ Paint or stain to **suit existing surroundings**
- ◇ **Custom sizes** can be made to order
