

The only choice for *strong, durable & long life* **Lattice** for your **gardening, improvement & privacy** solutions

Diagonal Lattice

Open Weave Diamond

Square Lattice

*Here's why you should insist on **S.T.I. lattice***

- ◇ Hot dipped **galvanised nails** used *not staples*
- ◇ **Heavy duty** 12 x 35mm treated timber used
- ◇ Built against a steel frame for **greater nail holding**
- ◇ Closer weave for **added strength** (on diagonal & square)
- ◇ Paint or stain to **suit existing surroundings**
- ◇ Can be **custom made** to suit your unique situation
- ◇ Frames can be built to add **further strength & stability.**
- ◇ Problems with unique shapes & situations **easily solved**
- ◇ A **Tasmanian owned** & operated business employing locals

Use S.T.I. lattice for:

Fencing
Garden Surrounds
Privacy Screens
Entertainment Areas
Pergolas
