

Watch your plants grow,  
give them all the help they need with our  
*strong, durable & long life* **Trellis**

Fan Trellis

Here's why you should insist on S.T.I. **Trellis**

- ◇ Hot dipped **galvanised nails** used *not staples*
- ◇ **Heavy duty** 12 x 35mm treated timber used
- ◇ **Excellent support** for climbing plants
- ◇ Great for **helping** younger or damaged **plants survive**
- ◇ **Two great designs** Fan or Pillar (pillar not photographed)
